## USAGE GUIDELINES

**Formulation** : Powder (Free Flowing Powder)  
**Shelf life** : 1 year  
**Packing** : 500g

## FOLIAR APPLICATIONS

Use this product as foliar spray to prevent various insects and pests. Apply in sufficient water to provide thorough coverage. Frequency of foliar spray depends on the crop stage at 15 days interval or as and when insect/pest attack.

## SPECIAL CARE SHOULD BE TAKEN WHEN TANK MIXING

- Use appropriate dosages of formulation as per recommendation.
- Partially fill the spray tank with clean water and then add the specific amount of Bio-product to the tank. Add the remaining water and mix THOROUGHLY.
- DO NOT LET MIXTURE STAND OVERNIGHT.
- DO NOT mix with copper-based fungicides, bactericides, concentrated acids such as sulfuric acid, solvents and oxidizing agents.
- Application in the early morning OR evening creates conditions favourable for germination of spores, giving better results.
